Dear Region I Colleagues:

Before we finish our final days of this school year, I wanted to reach out one last time. It was great to get our ensembles and activities back up and running. As we look ahead into 2022-2023, everything should be the same as pre-pandemic. Thanks to everyone who had a hand in making this year a great success!

Our executive board will be meeting at the end of July to start planning for next year. As we get closer to the start of the new year, we will be sharing all pertinent info. Our website (njsma.org) is always accessible to check dates (<https://njsma.org/calendar/>) and find contact info (<https://njsma.org/officers/>).

I hope you all have a safe, relaxing and enjoyable summer.

Sincerely,

Christopher J. DeWilde
NJSMA President
