

North Jersey School Music Association

Region I of the New Jersey Music Educators Association

Dear Region I Student:

NJSMA believes that Region ensembles should be available to ALL qualified Region I students. We are proud to be able to offer audition sheet music free of cost to a limited number of eligible students for the 2021-2022 school year.

Student eligibility will be determined by students' enrollment in the Free/Reduced Lunch Program at their home schools, participation in a school music ensemble, and director nomination. Audition Sheet Music will be awarded in the order in which applications are received. Please note, students must also complete the online registration and have their principal complete the accompanying **application form** and a **music director nomination form**. Applicants will be notified of their application status by email and sheet music will be mailed directly to the student's home address.

Student Application Form: <https://forms.gle/xEAYNm2Scum4ynMZA>

Music Director Nomination Form: <https://forms.gle/uXchs2BqsjbCh4E38>

Please complete the following application and submit it directly to your **building principal** (not your music director) to be signed and submitted on your behalf.

Sincerely,

Katy Brodhead Cullen
